Holden Collision Repair Forums

Summary

Details for the Holden Collision Repair Forums 2018

More info

The Holden Collision Repair Forums will be held during the month of July and August 2018.

The Holden Collision Repair Forums are an ideal opportunity for Holden Dealers, Collision Repairers and Insurance companies to network with each other and to meet with Holden representatives.

The objectives of these forums is for all parties to gain an insight into some of the collision related features on new Holden vehicles and keep the dialogue going about what a good quality repair means for owners of Holden vehicles.

This year the forums will visit Melbourne, Brisbane, Sydney, Perth, Adelaide and Newcastle
