I-CAR ANNOUNCES GOLD CLASS FOR FIX AUTO MORLEY, WA

I-CAR Australia’s Gold Class Co-ordinator, Gary Wood, announces that Fix Auto Morley, in West Australia, has been awarded the prestigious I-CAR Gold Class Collision status.

Travis Arnold comments, "I am very proud of my team's commitment to ongoing training which has resulted in our business becoming only the third repairer in Western Australia to achieve I-CAR Gold Class Status. Whilst we all agree vehicle safety and manufacturer standards are paramount when repairing today’s modern vehicles, I believe we should encourage all repairers to take part in regular I-CAR training. In recent times we have seen major insurers adopt I-CAR training and achieve I-CAR Gold Status, together we could set an example for the industry as leaders in collision repair".

“Travis and the team at Fix Auto Morley began their Road To Gold at the end of August last year. Their continual commitment to the training program has resulted in Travis and two other staff members becoming Platinum Individuals and the business achieving Gold Class status within eight months, a fantastic achievement in such a short space of time,” added I-CAR’s Gary Wood.

Fix Auto Morley joins an elite group of repairers to be recognised with this certification. Well done to all those involved.

I-CAR, founded in 1979, is an international, not-for-profit, training organization dedicated to improving the quality, safety and efficiency of auto collision repair for the ultimate benefit of the consumer.
