## I-CAR ANNOUNCES GOLD CLASS FOR FIX AUTO WOLLONGONG

I-CAR Australia Gold Class Coordinator Gary Wood today announced that Fix Auto Wollongong in New South Wales has been awarded the prestigious I-CAR Gold Class Collision status.

“I am delighted to announce that Rodney and the team at Fix Auto Wollongong have achieved I-CAR Gold Class recognition. We developed a training plan for them to achieve Gold Class in December 2017 and they have achieved the accreditation well ahead of schedule. Congratulations to everyone involved for their enthusiasm and commitment to training,” said Mr Wood.

“It is a great privilege to be the first Motor Vehicle Repairer in the Illawarra Region to be awarded the I-CAR Gold Class Accreditation. We have strived to provide Gold Class service and quality repairs for all our clients, and this new accreditation makes it official.

I feel a modern-day facility needs to constantly update their equipment, but it's even more important for my team to have ongoing training. We pride ourselves on providing the highest level of service and expertise possible, and this accreditation is part of that promise.

Being part of Fix Auto is helping me to future proof my business, and as a team we plan to achieve I-CAR Gold Class across the entire Fix Auto Network” explained Fix Auto Wollongong’s Managing Director, Rodney Tannous.

*I-CAR, founded in 1979, is an international, not-for-profit, training organization dedicated to improving the quality, safety and efficiency of auto collision repair for the ultimate benefit of the consumer.*
