I-CAR ANNOUNCES GOLD CLASS FOR COUNTRY SMASH REPAIRS

I-CAR Australia Gold Class Coordinator Gary Wood today announced that Country Smash Repairs in Busselton, Western Australia have been awarded the prestigious I-CAR Gold Class Collision status.

“The team at Country Smash Repairs have earned their Gold Class accreditation by fully committing to the training program we developed for them in July last year. The online virtual classroom sessions have allowed them to participate in regular training, which has resulted in them achieving Gold Class status in such a short period of time. Well done to everyone involved,” said Mr Wood.

“The team at Country Smash Repairs are simultaneously both proud and excited having attained the coveted status of I-CAR Gold Class.

Our team can now stay at the forefront of modern vehicle repair and further enhance their hard-won skills, for which our management team can thank I-CAR for their well-structured training program” explained Neralie and Elliot Poole.

“The Gold Class status is the highest level of accreditation within the I-CAR Professional Development Program, it will ensure Country Smash Repairs have the knowledge and capabilities to meet the challenges of modern vehicle technology” added Mr Wood.

I-CAR, founded in 1979, is an international, not-for-profit, training organization dedicated to improving the quality, safety and efficiency of auto collision repair for the ultimate benefit of the consumer.
