I-CAR ANNOUNCES GOLD CLASS FOR PETER KITTLE COLLISION REPAIR CENTRE

I-CAR Australia Gold Class Coordinator Gary Wood today announced that Peter Kittle Collision Repair Centre in Para Hills, South Australia, has been awarded the prestigious I-CAR Gold Class Collision status.

In addition to being South Australia's sole authorised Toyota Body & Paint Repairer and recently becoming the states' first and only Holden Approved Repairer, the Peter Kittle Collision Repair Centre now adds the mantle of being SA's first repairer to achieve Gold Class prominence.

"The entire team's attitude towards training and development is first class and adds to an amazing culture of continuous learning. Chad and the team should be very proud of their achievements, it is extremely well done by all involved" said Mr Wood.

Collision Manager, Chad Buckley explains "Reaching I-CAR Gold Class Status will help give our customers absolute confidence in knowing that our team is wholly committed to the safe and effective repair of their car. This will also benefit the Peter Kittle organization by providing our business associates and insurers a highly qualified, knowledgeable and trustworthy partner to care for their assets".

Our team has thoroughly enjoyed the entire process. We now have an extremely talented line-up of staff and being a part of the program over the last twelve months had a really positive impact on the business. Our team has been kept motivated by the opportunity to continually learn and improve their already highly polished skills".

Chad concludes "Peter Kittle Collision thanks I-CAR for their support and I especially thank my fantastic team for their hard work and passion to achieve".
