“Myself and the team at Mangano Body Repairs are very proud to have achieved I-CAR Gold Status. I did my first I-CAR course in the USA 12 years ago and it was then that I realised how much there was to learn! I would especially like to thank Gavin Armstrong for his non-stop support and help to achieve this goal. I would also like to thank Colleen and the girls in the office for helping us organise our training.

I am very proud of the boy’s efforts and commitment to the training. It’s great to achieve this accreditation that helps us deliver high quality repairs and service to our customers” explained Tony Savva.
