## I-CAR ANNOUNCES GOLD CLASS FOR POMROY PANELS

I-CAR Australia is pleased to announce today that Pomroy Panels has been awarded the prestigious I-CAR Gold Class Collision status.

*“We decided to enter the program to enhance our knowledge of a rapidly changing industry. All the staff gave positive feedback about the courses they completed and felt they benefitted from the extra education. Also, Axalta have delivered high quality onsite and offsite training which was important for our spray painters. Giving them a hands-on learning experience,”* noted Mr. Craig Sharman, manager of Pomroy Panels.

*“We would recommend this training to others because we feel it gives our customers confidence that their car is being repaired by people who have the knowledge and skill to perform those tasks. The whole industry could benefit.”*

Pomroy Panels is located in Niddrie, Victoria and they are part of various insurance repairer networks as well as being a Certified Subaru Repairer. Now Pomroy Panels are accredited I-CAR Gold Class Collision status and joins the growing number of businesses that have recognised the benefits of regular training, not only for their staff members, but also their customers and the entire business. The additional knowledge places them in a very strong position to overcome the challenges presented by the ever-evolving body repair industry.

*I-CAR, founded in 1979, is an international, not-for-profit, training organization dedicated to improving the quality, safety and efficiency of auto collision repair for the ultimate benefit of the consumer.*
