Summary:

Holden Vehicle Compliance Label – Replacement Process.

More info:

Holden is pleased to announce that a process has been developed where replacement compliance labels can be supplied by Holden.

The process outlined below must be followed.

Any deviation from the process below will cause delays in the supply of the replacement label.

- 1) Part Number **92257206** LABEL-VEH CERT has been created and can be ordered from Holden Dealers

Holden

2) Additional information is required to be sent via email to vehicle.label.request@gm.com

a. Copy of a Personal Property Security Register (PPSR) www.ppsr.com.au and

For Individuals ▾

For Businesses ▾

Help | About ▾ | Contact | Blog

Order an official PPSR check

A PPSR check is an important first step in purchasing a new vehicle or valuable personal item

GET REPORT

a. Compliance Label Request Form (CLRF) completed by either a Holden Dealer Service Manager or Insurance Claims Manager (if the vehicle is involved in a collision)

i. Please see attached CLRF template.

3) The original compliance label is to be returned to Holden **BEFORE** the replacement label will be supplied.

a. Please send by **Registered Mail** to:

Damian Cahill
Aftersales Collision Department
191 Salmon Street,
Port Melbourne, 3207 VIC

4) New compliance label will be sent to Dealer via Registered Post.
