This will take you to our course catalogue.

On the course catalogue page you can search for online courses by using the search bar

The screenshot shows the I-CAR Australia website's course catalogue. At the top, there is a navigation menu with links for ABOUT I-CAR, TRAINING, EDUCATION, OEM, SOLUTIONS, COURSES, and INSTRUCTORS. A search bar is located at the top right, with the text 'Select Course...' and a 'GO' button. Below the search bar, the 'COURSE CATALOGUE' section is displayed. A callout box points to the search bar, stating: 'If you type Online in the search box it will display all our online courses to choose from.' The search results show a table with columns for SUBJECT, ROLE, Course Selection, Course Code, Course Delivery, and Info. The search term 'online' is entered in the search box. The results list three courses: 'Alternative Fuel Damage Analysis' (ALT04e), 'Bolted-On Exterior Panels - Part 1' (EXT03e), and 'Bolted-On Exterior Panels - Part 2' (EXT04e), all with 'Online' delivery and a 'Register' link. A note at the bottom indicates 'Showing 1 to 3 of 3 entries (filtered from 71 total entries)'.

SUBJECT	ROLE	Course Selection	Course Code	Course Delivery	Info
		Alternative Fuel Damage Analysis	ALT04e	Online	<a href="#">Register</a>
		Bolted-On Exterior Panels - Part 1	EXT03e	Online	<a href="#">Register</a>
		Bolted-On Exterior Panels - Part 2	EXT04e	Online	<a href="#">Register</a>

Another way of searching for courses is by using the Subject or Role buttons at the top of the course catalogue. If you click on these it gives you a variety of options to filter through the courses.

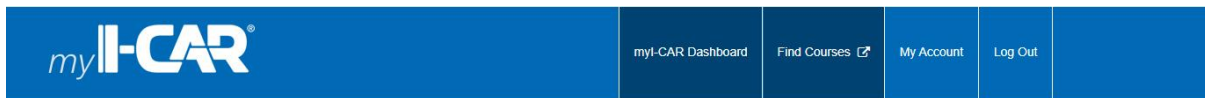

The screenshot shows the I-CAR Australia website's course catalogue. At the top, there is a navigation menu with links for ABOUT I-CAR, TRAINING, EDUCATION, OEM, SOLUTIONS, COURSES, and INSTRUCTORS. A search bar is located at the top right, with the text 'Select Course...' and a 'GO' button. Below the search bar, the 'COURSE CATALOGUE' section is displayed. A callout box points to the 'SUBJECT' and 'ROLE' buttons, stating: 'Search by either Subject or Roles'. The search results show a table with columns for SUBJECT, ROLE, Course Selection, Course Code, Course Delivery, and Info. The search term is empty in the search box. The results list five courses: 'Adhesive Bonding' (ADH01), 'Aluminium-Intensive Vehicle Repairs' (ALI01), 'Alternative Fuel Vehicle Damage Analysis and Safety' (ALT03), 'Alternative Fuel Damage Analysis' (ALT04e), and 'Aluminium Exterior Panel Repair and Replacement' (APR01). A callout box points to the 'Register' link for the first course, stating: 'Click here to register for a course'.

SUBJECT	ROLE	Course Selection	Course Code	Course Delivery	Info
		Adhesive Bonding	ADH01	Classroom & Virtual Classroom	<a href="#">Register</a>
		Aluminium-Intensive Vehicle Repairs	ALI01	Classroom	<a href="#">Register</a>
		Alternative Fuel Vehicle Damage Analysis and Safety	ALT03	Classroom & Virtual Classroom	<a href="#">Register</a>
		Alternative Fuel Damage Analysis	ALT04e	Online	<a href="#">Register</a>
		Aluminium Exterior Panel Repair and Replacement	APR01	Classroom & Virtual Classroom	<a href="#">Register</a>

You can register for the courses through the course catalogue by clicking on [Register](#) beside the course you would like to book.

After clicking register you will be directed to the register & pay page. To register for the online course you selected. Complete the registration & click submit to finalise the booking.

Once you have registered & paid for a course it may take up to 48hrs to appear in your dashboard after payment is received.

To return to a paused course – click Resume Course

After you have successfully completed a course it will then appear in your 'Training History'. It will show the date of completion, your pass mark & points allocation.

You will also be able to access the course information and print off a PDF copy of your certificate by clicking on the 'Load More' button.
