

# PRIMING AND BLOCKING REPAIRED AREAS

RF001E02

**Course Format:** Online training with posttest

**I-CAR Credit Hours:** 1

**I-CAR Points:** 0.25

**This course helps satisfy ProLevel training requirements for the following roles:**

Refinish Technician

Assessor

Estimator

Priming and Blocking Repaired Areas is a 1 hour course that explores the types of primers and their uses, feather edging and masking for primer application, how to measure and mix primers, and how to set up and use a spray gun for priming. Block sanding techniques and the considerations for applying sealers are also explained within the course module.
