## I-CAR ANNOUNCES GOLD CLASS FOR BILL DINGLE SMASH REPAIRS

I-CAR Australia is pleased to announce today that Bill Dingle Smash Repairs has been awarded the prestigious I-CAR Gold Class Collision status.

*"We were looking for a more structured and industry specific training to keep up to date with the constant changes happening in our industry. Once the Road to Gold program was offered to us by the Suncorp Group, it was a no brainer to jump on board with the training."*

*The several training delivery options offered by I-CAR made finding time for training easier. All of our training was done online in a Virtual Classroom afterhours. From apprentices through to the tradespeople, [we] have all been learning something new every course and have more confidence when working in the workshop.*

*We want to keep our Gold Glass status long term by introducing I-CAR courses into our future processes. I feel when this training is done correctly, it can really boost up the staffs' attitudes and abilities to carry out future work and being kept up to date, which can only provide a good outcome for the business and the customers." Josh Leonardi, Workshop/Parts Manager of Bill Dingle Smash Repairs relates.*

Bill Dingle Smash Repairs is located in Ayr, North Queensland and is part of the Suncorp Insurance Repairer Network. The Gold Class accreditation cultivates a learning culture in the workplace and places them in a very strong position to overcome the challenges presented by the ever-evolving body repair industry. Congratulations to all involved!

*I-CAR, founded in 1979, is an international, not-for-profit, training organization dedicated to improving the quality, safety and efficiency of auto collision repair for the ultimate benefit of the consumer.*
