## A HAND UP WITH HANDS-ON

For the months of May and June, every fully paid registration into an I-CAR Australia Hands-On Skills Development course will gain access to one of our welding equipment online courses, supporting the industry with their education.

Each registration will entitle the student to one of the following courses where upon selection, will be loaded into the student's MyI-CAR at no cost:

- Pro-Spot SP-5 GMA Welder Operation and Tuning VT370E01
- GYS Autopulse 220-M3 GMA Welder VT375E01
- Car-O-Liner CMI300 PulseTrio – GMA Welder Operation and Tuning VT380E01
- Pro Spot i4s – Spot Welder Setup and Operation VT390E01
- Car-O-Liner CTR9 – Spot Welder Setup and Operation VT395E01

The online courses will allow students to familiarise themselves the machinery they will be working with within the I-CAR Australia training space, as well as equipment they may have back in shop. I-CAR Australia uses the Pro-Spot SP-5 GMA Welder and the Car-O-Liner CMI300 PulseTrip – GMA Welder on site.

The 'A Hand Up with Hands-On' promotion ends 30 June 2022, only fully paid registrations made by this date are valid for this program – course attendance can be done beyond June.

To view current Hands-On Skills Development course dates, please visit our [Calendar](#). For more information or to discuss future course dates, please contact us on 07 3219 9088 or [welding@i-car.com.au](mailto:welding@i-car.com.au).

*I-CAR, founded in 1979, is an international, not-for-profit, training organization dedicated to improving the quality, safety and efficiency of auto collision repair for the ultimate benefit of the consumer.*
