

# Honda HR-V 2022 Collision Repair

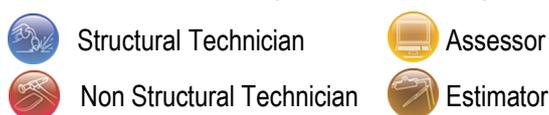

VT610E01

**Course Format:** Online training with posttest

**I-CAR Credit Hours:** 1

**I-CAR Points:** 0.25

**This course helps satisfy ProLevel training requirements for the following roles:**

Honda HR-V 2022 Collision Repair is a one-hour online course that provides an overview of vehicle design and construction materials. Course material and videos describe unique aspects of service parts and procedures on this vehicle as well as considerations for sectioning, attachment methods, and specific part removal and installation for repair on the Honda HR-V.

After completing this course, you will be able to:

- Identify Honda-specific names for vehicle parts
- Identify topics in Honda position statements
- Explain the construction materials and their repair implications
- Identify sectioning locations on the Honda-HR-V
- Describe attachment methods depending on part construction and location
- Explain considerations for part removal
- Describe the refinish considerations for replacement parts
